

Open Cell Wood Ceilings & Walls

Madrid's Wood Ceiling and Walls allow you to accent a space with the richness of natural wood. Our Open Cell design is ideal for ceilings or walls, or can transition from the ceiling down the wall. This design is available in four solid wood options or with a fire-rated MDF core. Choose from a variety of veneers.

Also available in linear or grille design.

- Classic open reveal style with concealed clip systems
- Available in solids

Madrid makes you look good.
