

Linear Wood

Madrid's Linear Wood allows you to accent a space with the richness of natural wood. Our Linear Wood is the perfect complement to modern design. Ideal for interior or exterior use, our Linear Wood pattern is as versatile as it is beautiful. Choose Class A fire-rated material available in more than 200 attractive veneers or choose Solid Poplar or PS Maple on fire-rated MDF in a variety of stain options.

Also available in grille or open cell design.

- Classic open reveal style with concealed clip systems
